

Adam Bůžek

Guy who loves to design things

Who is Adam?

Adam is a person who loves graphic design, but also works as a fitness coach. Adam is extremely happy when he can do things that he enjoys, whether it be creating graphics or helping others improve their physical fitness. Adam is very passionate about both of his professions and strives to be the best he can be in them. His main goal is to do things that fulfill him and make them a lifestyle.

EXPERIENCE

FAKE FRRRIEND PROJECT

2021

School project

I really liked this project, especially because it was mainly focus to think creatively about really hard topic and that is not easy. So it was again a really good experience.

PROSAZ COMPANY

2021

Social media design

I was working in this a non-profit organization as social media specialist and to be honest it was really difficult to make social media content for non profit organization. But I think I managed it pretty well and it was wonderfull expirience.

ORION CHOCOLATE

2020

Orion Studentská - Branding design

We did this project in school and it was phenomenal experience to design a chocolate. We come up with bunch of great ideas and the client liked it as well very much.

EDUCATION

VŠKK // GRAPHIC DESIGN

2020 - 2023

Bachelor's degree in graphic design

higher education program that provides a more in-depth and comprehensive education in the field of graphic design. In this program, students can expect to learn advanced design skills and theories, as well as develop their own design style and portfolio.

1. KŠPA KLADNO GRAPHIC DESIGN

2016 - 2020

Graphic design high school

This is a educational program that focuses on teaching students the skills and knowledge necessary to become successful graphic designers. In this program, students can learn a wide range of skills, including computer graphic design software, visual communication, and design principles.
